DATE(S) AMENDED October 2010

Southwestern Illinois College will provide a program of Counseling and Human Development Services. The department will promote the mission and values of the College in providing programs and services designed to enhance the quality of life for each student and the concept of lifelong learning. The Counseling Services departments will offer programs in individual and group formats to help each student make the most of their college experience by promoting academic, career, personal, and social development. The Counseling and Human Development Services programs will provide professional services within the ethical, professional, and legal standards of relevant organizations and policies.
