BOARD POLICY

TITLE: Regional Philosophy

CODE: 1006

DATE ADOPTED: October 21, 1992

DATE REVIEWED: 10/10, 08/20

DATE AMENDED: 09/20

The Board of Trustees acknowledges that Southwestern Illinois College serves a large and diverse geographic region. The Board supports and encourages the development of educational, social, economic and cultural activities which have been designed to meet the specific needs of the various communities within the community college district.

As the administration implements Board policy and as it conducts the daily operation of the college, it is directed by the Board of Trustees to remain cognizant of the regional nature of the community college district. Specifically, the administration is charged with the responsibility of ensuring that firms, businesses and organizations within all communities of the district are provided with the opportunity to bid on college purchases and projects, to respond to requests for proposals, and to conduct business with the college. In addition, the administration is charged with the responsibility of reviewing the extent to which community needs throughout the district have been addressed by the college.
